

26 Bassendean Road, Bayswater WA 6053

DON'T JUDGE A BOOK BY ITS COVER

Currently set up to enable multiple tenancies which will work well due to its side access to the warehouse, which allows you to keep the income from the current tenants while part occupying yourself.

Set on a corner lot of 844 square meters, this site has a new ablution block/staff area and some good office space.

For more information, contact Giles Jones First National today!
