Services

FOR SALE

Are You Looking For an Organised, Non-franchise and Easy to Run Service Business Ready for You to Walk in and Takeover without Fuss?

If so, look no further.

This business has been operating since 2000, providing mobility and rehab equipment services to South Australians.

The business serves an ageing population and people of all ages undergoing orthopaedic surgery. The government has also recently announced funding for purchases of disability equipment.

Reasons To Consider Buying This Business:

- Award winning turn-key hire, sales and 'just in time' service business
- Running smoothly with stable and well trained personnel in place
- Suit an investor, owner/operator, couple or partnership; manage yourself or continue with current management (M-F, Sat mornings)
- Established client base of hospitals and healthcare professionals
- Database of thousands of customers and hundreds of referrers
- Markets include healthcare, aged care and disability
- Multiple online and offline lead sources
- Modern showroom, office and warehouse under lease, in a high traffic location
