FOR SALE

Strong cash business. Secure a great financial future.

This bakery is one of the best country bakeries without doubt, owned and operated by husband and wife for more than 30 years and are now at retiring age and it is time for younger people to take this opportunity and make their future secure.

The bakery is fitted with a solar system and is saving huge amounts in power bills, plus all equipment is in as new condition and there is also a café that seats 63 for customer use. There are several bakers in this bakery who are prepared to stay on with the new purchaser. So the right person
