Budget Warehouse on Abbotsford Road

Can you believe it?

A warehouse on Abbotsford Road, Bowen Hills for \$267.50 a week (plus GST)

Perfectly located right opposite the train station, it has really easy access by car or train.

It's not very often an opportunity comes up to grab a work space so close to the city, but this has just become available.

Approx 5.5m wide by about 7m deep, it's ok if you're on a tight budget.

One car park goes with it.

Owner is ok with you putting up some signage (with his approval)

If you blink you will miss out!
