## ICONIC PORT HEDLAND LEASING OPPORTUNITY

Hedland Silver Star cafe!

Built in 1939 and brought to Western Australia in the 70's this train carriage has a long history in the Pilbara. Once the only connection between Newman & Port Hedland the Silver Star is now a much loved fixture in social and cultural activities. Nestled amongst the trees in its home within the Courthouse Gallery Gardens.

The renovated Silver Star is now ready to roll and we are looking for a new operator to bring this beautiful carriage back to life!

Hedland First National looks forward to securing a new operator to have this icon of Port Hedland open once again
