

5c 143 St Vincents Road, Virginia QLD 4014

Convenient Virginia Warehouse with Secure Yards and Great Access

This older style large warehouse is ideal for your storage or workshop needs. With over 6m height throughout, timber floors, loading docks and security gates the complex is great value at this budget rate.

With structural flooring over the timber floor it is possible to use a forklift for loading weights of 1000 kg

A one way turning road provides easy truck access throughout the complex.

Great access via Toombu
