FOR SALE

This industry is bullet proof.

A safe industry to invest in. Bread is a staple part of our diet, and this business keeps growing. This manufacturing business is well established and continually growing in sales due to a high quality product and great service.

There are currently 4 full time bakers and 2 packers, and staff start at 2 pm and finish approx 11pm. Working only 6 days a week, and only 1 shift per day. There are cameras in the factory that can be ac
