AUSTRALIA'S LEADING INBOUND ANSWERING SERVICE

- * Operated by the current owner since he acquired it in 2001.
- * Consistent performance and well driven
- * Focus on customer niches (on-going repeat business)
- * A reputation for quality, and reliability

Owner is looking to retire

- The business is 100% Australian operated and is an outsourced 24/7 customer service team offering;

- 24/7 live receptionist
- Live appointment scheduling
- Data & order entry
- Emergency response
- Dairy complaints and queries.

Real potential to expand the business and grow revenue and profits. The infrastructure (physical layout and supporting infrastructure (IT, telco, power etc)) could support a doubling of the business from the current purpose built business premises which are also owned b
