Iconic Butcher - Deli - Lucrative Industry, one of the best available WEEKLY SAL

The business has experienced and trustworthy staff who assist the owner, but having more of an owner present would lift this business significantly. With an impressive equipment list and fit out, there is nothing to spend and the sale includes the delivery vehicle fully branded. The numbers are impressive and have sustained the current owner and his family since its opening. Now, facing retirement, they are keen to find the right person to take over this iconic brand and take the business to a new level. With cheap rent at only \$2200 per month and a generous lease and being situated in a boutique tightly held shopping strip, there really is nothing more to say. Full training provided in a generous hand over period. Highly profitable and still room to improve. Call Brian at TRIDENT for a full business information memorandum
