Food & Beverage Distribution Business.

Phone enquiries - please quote property ID 20559

This well established business would have to be one of the cleanest and most thoughtfully laid out food distribution businesses in Melbourne.

This modern fleet of refrigerated vehicles services a very extensive area of the wholesale and retail food industry. On inspection of the business and a well informed meeting with the current Vendor, you will be provided with information to visualise the huge growth potential of this already successful business.

Currently delivering juices, soy, health drinks, smallgoods, dips, yoghurts, eggs, butter, margarine and a large amount of milk, there is still the scope to add further lines thanks to its well-developed

Food/hospitality
