Proserpine Septic Service Established 30 years - Includes Inveco Truck and Tank

Phone enquiries - please quote property ID 20767

Established now for more than 30 years, Proserpine Septic Service is now on the market. The business provides maintenance, pumping and removal / transportation of liquid waste, (from septic tanks and grease traps). Basically, any liquid waste removal.

Currently the business is being operated by the owner and partner who does all the bookwork. The only requirement for the new owner would be a truck licence. This is the ideal business for a plumbing c
