Affordable Shed Perfect For Storage/Light Trades

This 200sqm* clearspan shed with 30sqm* mezzanine would be ideal for storage or light trades. The access driveway can accommodate medium-sized flatbed trucks. The shed itself has container height roller doors allowing drive through access, 3 phase power and toilet.

This shed would be ideal for the home mechanic that has run out of space, or someone looking to store their boat/caravan/trailer undercover. Extra hardstand space is available to rent upon request.

Features include:

- 200sqm* clearspan shed
- 30sqm* mezzanine
- Drive through container height roller doors
- 3 phase power
