Bundy Asian Supermarket

This long established Asian Grocery Store has been reluctantly placed on the market at an exceptional price due to an overseas move by the current owner. The business is operating from large leased premises allowing the opportunity to carry a wide range of stock, currently estimated at \$70,000. Excellent all-round business opportunity at the asking price. Contact: David Radonich on 07-41544178 for more details or see: <https://www.cbdrealty.com.au/2500/Bundy-Asian-Supermarket>
