Guttershield Licenced Territory - Rockhampton

Here we have a outstanding opportunity to get in on the ground floor for the supply and installation of a Rolls Royce Gutter Protection System, known as Guttershield. The product is Australian designed and owned, and has a 10 year warranty. The Rockhampton licenced territory is designated by postcode and covers an extensive area from Emerald in the north - west, to Rules Beach in the south including Gladstone region. A brand new signwritten product display trailer will be included as part of the deal. High quality product providing a great opportunity to work for yourself and witness business growth. For further information please feel free to email or call. Contact: David Radonich on 07-41544178 for more details or see:
