

39-43 Abang Avenue, Tanah Merah QLD 4128

Infill Development Site

An opportunity has become available to put your unique stamp on a development in a growing area. The time is right to sell this parcel of land after 44 years of ownership.

The property has two street frontages on Pintu Drive and Abang Avenue and is located directly across from the Logan Hyperdome.

Zoning is split between Specialised Centre and Low -Med Density Residential.

Concept plans are available for 31 x 3 bedroom townhouses with support for a higher density

Uses subject to council
