

20 Heddon Road, Broadmeadow NSW 2292

Huge City Warehouse / Showroom

Building Area: 1,951m² (approx)

Situated just off the busy Nineways intersection and close to Broadmeadow railway station this high clearance brick warehouse is one of the very few in the City of this size. Originally designed to be office/showroom and warehousing. It has been used for furniture storage and is now available for the first time in many years. It consists of:

- Rear covered loading area with (3) large roller doors
- Large showroom windows
- First-floor office area
- High clearance warehousing
- Loads of shopfront street parking

With the current tenants on a monthly tenancy this building is basically available now. So if you are in the need for large clear-span secure easily ac
