CARAVAN BUSINESS ? TOOWOOMBA QLD

THE BEST LOCATION ? FOR THE BEST BUSINESS

Specialising in Caravan Trailer & Horse float Sales, (plus Hire/Repairs & parts).

We all know that Australia is an ageing society, so caravan hire and sales have continuously grown, and will carry on doing so in the future.

This business is well placed on the main road, so has plenty of exposure. It has been established for some 20 years and over the years it has built up an excellent clientele base.

The population of Toowoomba is some 100,000+, but because of our reputation, people come from as far as Brisbane. It is a very busy business with a good turnover. And there is still potential to expand, (perhaps in the sales of new Caravans).
