FOR SALE

Situated in the beautiful lifestyle location of Dongara, this successful ladies fashion store is THE ONLY ONE IN TOWN. Catering for the age group of 30+, this well run business has built up a reputation second to none. The shop carries exclusive labels such as Black Pepper and also is well known for Mother of the Bride attire, along with smart casual wear.

Established now for 8+ years, this is the ideal owner operator business. Everything is in place to continue in its success. We trade only 5.5 days per week allowing a business owner to have a good lifestyle balance. All systems are in place, ordering processes and suppliers details. We have regular clientele with repeat business, along with new customers as Dongara is a tourist town.

The premises are leased with lease in place. The shop size is compact, yet efficient (75m2) consisting of the shop front, 2 change rooms, storage area and bathroom facilities. We are located next to a very busy chemist.
