Funcats was established in 1976 and is situated on the South Perth foreshore, with scenic view of Perth city. Cafe, toilet and BBQs are on site.

The business is open 7 days a week during the summer months.

The hire fleet consists of 40-50 Windrush 14' Catamarans plus 4 canoes and 2 rescue dingies. A self-contained booking office is on site.

Originally set up to provide a service to schools in the Perth area, the popularity and versatility soon took off with the public. These days it is not uncommon to have the entire fleet booked from 11am-
