FOR SALE

Cake Connoisseur is an online cake delivery business, supplying corporate clients, restaurants and also retail customers.

Simply order your chosen cake via our website then select your destination and date of requirement. Pay securely online, it's that simple. Your cake is then made to order and we organise delivery to your desired location the following day.

A fantastic business opportunity for someone wishing to stay at home and sell cakes 24/7 to both local and overseas clients. Great part time cash flow business requiring minimal time and effort, all that.
