Well established mechanical workshop for sale

Phone enquiries - please quote property ID 12543

Hyundai-Care, THE specialist mechanical repair/service/EFI diagnostics for sale. Great niche market (just look how many Hyundai's are on the road now). Large client base brings all other makes and models throughout their family in for repairs/servicing etc. Plenty of info, tools, data, knowledge etc for Hyundai's.

Mezzanine floor above office/reception with plenty of storage space. Office has been repainted. Lots of room to expand to more hoists (2 or 4 post).

Comes with 2 loan/court
