Get fit and inspire others!

In today's sedentary lifestyle, people are becoming more and more conscious about maintaining their health and fitness - now here's a unique opportunity to get in on the ground floor and make a real difference in people's lives, and cash in on the fast growing health and fitness industry while you're at it!

This is a fantastic opportunity to own the only Contours Studio in Canberra at an entry level price below the cost of setting up a new franchise! This fully equipped studio is ideally located near the heart of Belconnen, overlooking beautiful Lake Ginninderra, with plenty of carparking and surrounded by Government and non-government offices, UC Campus accommodation and Kangara Waters retirement village.

This opportunity would ideally suit an existing PT or fitness enthusiast ready to take her career to the next level, or a husband and wife team who are passionate about health and fitness. So if you're ready to ditch the desk job, and trade high heels for trainers, this is the perfect opportunity for you!
