HOME AND GIFTWARES

Phone enquiries - please quote property ID 14010.

The business has been established for over 9 years with the existing owner happy to provide training to the new owner through the transition process.

The business is being sold with all equipment, ie racking, forklift and stock on hand. There is also an office fully equipped with a filing cabinets, cupboards, desks and computer including MYOB invoicing system already set up with customer database and multifunction machine.

An advantage to running a giftware business is the associations which help get your product into the market place by holding 5 trade fairs a year in 3 of the major Australian states with the opportunity to

Import/export/whole
