This unique, well known salon has been an established business for over 22 years. It is situated right in the heart of Coolangatta's rapidly growing business district. The salon is spacious with 6 workstations and has been refurbished with quality fittings all within the last four years.

The current owner has made extensive changes not only to the image and fit out of the salon but also to the operational side as well, by Investing in a salon management program, which includes a Policies, and Procedure manual, which has been developed complete with a disc (so changes can be made) as well as a comprehensive HR system and resource disk.
