

Lot 16 Ridgewood Drive, Farleigh QLD 4741

Awesome views - Ocean, city, hills

IMAGINE - How good would life be to live on top of a hill with the most magnificent views of Mackay city, ocean, Highpoint Coal Ships, mountains and Canefields There is a road/driveway in place to the top, though this would need to have a permanent paving to it.

What a place to live and just minutes to town.

Inspection a must on this one.
