Flexible Inner-City Office/Warehouse

Building Area: 728m2 (approx)

Situated only minutes from the Newcastle Interchange this warehouse/office facility provides quick and easy access to the inner-city markets and it offers an idealistic position to service the new Government office buildings. The building is two-thirds office and one-third warehouse and provides for:

- * Two-storey corporate office building
- * Large front concreted car park with some undercover
- * Excellent truck turning access via its two-street access on a corner
- * High clearance warehouse and mezzanine storage
