This business is one of Perth's original pallet furniture companies and the only business to have pallet inspired furniture range available for hire.

This niche market business specialises in ceremony hire, cocktail receptions, grazing tables, special events and boho picnics. Other events include weddings, social events celebrating the soon to be birth of a baby, the announcement of an engagement, engagement and hens parties.

The business has also branched into other markets creating a one stop shop for our clients. We have created a grazing service which not only services Perth and surrounds but has built a strong support network of wedding event stylists, function centres in Broome which no other grazing company
