Design & Construct Opportunities

King & Co Property Consultants are pleased to offer design and construct opportunities at Proximity @ Yatala Industrial Park on behalf of the Developer

This presents a unique chance to secure a premium purpose-built facility constructed and tailored to a tenant's requirements. A purpose-built facility enables a company to function with optimal efficiency and maximise profit.

Lot 1 comprises of 33,079sqm of land. The development plan for this part of the estate will feature freestanding buildings ranging from 500sqm to 2,500sqm. Construction for these facilities has commenced and they will be released to the market periodically. These designs are malleable and can
