STUNNING VIEWS-BE QUICK-COULD GO UNDER OFFER

Under 10 kms from the convenient shopping and country town feel of Sorell is this 11.35ha (28 acres) block with absolutely breathtaking views. To the south and east it overlooks Midway Point, Sorell and Storm Bay with the Peninsula in the distance. Clearing of trees would allow a view of Mt Wellington to the south west and irrigated land, Pittwater and Richmond in the distance to the North East.

There is also a 6 by 9 metre shed with a smooth concrete floor. Maybe camp in that while building your dream home.

In the past vegetables were cultivated and watered from a small dam (pictured).
