After 32 years of trading "Chippy" wants to retire which provides a ideal opportunity for a smart investor to purchase this very profitable business which has an enviable reputation, strong & loyal customer base & genuine scope for continued growth.

It is sensibly priced at \$150000 (including machinery & equipment) but open to negotiation to encourage a quick sale. Stock is additional.

It is a remarkable opportunity for someone motivated to say goodbye to the bosses & make that tree change/lifestyle change they desire. It is the chance to replace the congestion & pressure of ci
