\$38,000 (inc. GST).

This is the perfect space for someone who wants to get in to food production and doesn't want to spend a huge amount fitting out and getting a license for a commercial food production space. The space is located in the Mullumbimby Industrial Estate, close to the Pacific Highway making supply lines and deliveries convenient.

The building is only four years old with all of the appropriate facilities and approvals for food production making this space a rare opportunity to get your business off the ground or to expand an existing one. The space is flexible and convenient and can be adapted to your needs. We are the
