Franchisor Business Opportunity, Services Industry | ID: 904

The Franchisor is selling this very successful professional Domestic Cleaning & Gardening franchise group after having operated profitably for nearly 30 years.

The franchise group is constantly growing, with 28 additional new franchisees added in the last 3 years.

This business would suit an existing franchise company who is looking to expand their market footprint or expand into QLD or an owner operator..

Ideally run with a very small team with most of the profit to be made with a hands-on manager/owner. Easily run with a very loyal franchise and client base.
