

Lot 2/39 Moore Street, Westbury TAS 7303

UNDER CONTRACT

This exclusive selection of only two enticing allotments, measuring 6480m² and 8708m² respectively, provides a perfect opportunity to surround yourself with space and deliver the lifestyle you've always desired.

A rural mood combines with convenient proximity to Westbury's range of retail outlets, cafes, schools and sport facilities to create a context where having the best of both worlds can become a reality rather than merely a concept.

With the 8708m² allotment already under offer, the opportunity to acquire these outstanding sites is limited ? while their appeal, only some half an hour from Launceston, is free from limits!
