Exceptional Fencing & Gate Business | ID: 915

Fencing installation and supplier. The owners of the Gold Coasts top rated Fencing installation company must relocate interstate due to genuine family commitments.

You now have the rare opportunity to purchase this 39 year old icon of the local construction industry. Specialising in the supply & installation of boundary fencing, pool fencing, retaining walls, manual or electronic gates and more, for all types of materials and designs.

The business offer householders, builders and developers exceptional quality and value for money on a vast range of exceptional fencing products with the added confidence of dealing with a company that has been a member of the Master Builders Association for many years.

They pride themselves on having an extremely high standard of workmanship and subsequently the business has built a huge clientele of repeat customers and referrers, ensuring an almost limitless supply of enquiries and confirmed orders well into the future, even in the bleakest of times.

A centrally located, combined warehouse, factory and offices provides materials storage, administration and customising for all types of projects.
