

, North Sydney NSW 2060

35sqm Creative Boutique Building

One of the only suites you'll find with a separate reception and work area in the lower size ranges!

Modern glass fitout that would suit a tenant that may meet clients onsite or would just prefer a "front of house" space rather than an open plan room!

With a leafy outlook this is fantastic space available for a small company wanting 'boutique-building' character, whilst still maintaining a corporate image.
