

21 Flagstaff Road, Tamworth NSW 2340

GOVERNMENT GRANTS AVAILABLE \$25,000 PLUS

This beautiful 4,001sqm (approx.) block with all town services and amazing views on the high side of the road won't last long...

Surrounded by quality homes and fenced on three sides, located close to hospitals, shops and just minutes to town. This truly is one of the last prestigious blocks in the Hills Planes subdivision. Purchased thirteen years ago and regrettably now on the market due to a change in circumstances.
