

2/84 Whitfield Street Bassendean
Fabulous rear strata now available

2/84 Whitfield Street, Bassendean WA 6054

Vacant Lot - Bassendean

Rear survey strata lot of 544m² is now available - title imminent.
Fantastic location being in a quiet residential street in the sort after historic suburb of Bassendean. The lot is only minutes by car to all services. The seller has gone to the trouble of designing a contemporary 4 bed 2 bath residence that would sit nicely on the lot, so you can purchase the lot alone or tie-up an affordable house and land package.
