Phone enquiries - please quote property ID 24584.

Servicing the NSW mid and north coast, this business has built an enviable reputation throughout the transport industry for on-time delivery and extraordinary client satisfaction rates. A highly successful, family-owned business, now on the market.

Established more than 25 years, experiencing growth year in and year out with an annual turnover of approximately \$1.7 million with high profits. Brilliantly managed with secure contracts in place and profitable enough to be run under management.

A wide range of services are provided including daily pick-up and delivery, sending Australia-wide and Internationally, as well as specialty freight services. The specialty freight services include transport for secure freight plus medical and construction items.

This sound business is in a convenient location in the north coast with near-new premises. The premises are leased with a long-term lease in place. They accommodate the business well and have state-of-the-art HD digital security CCTV systems.
