## **New Substantially Equipped Café/Restaurant at the new National Cartoon Gallery**

The National Cartoon Gallery is seeking expressions of interest from high end, experienced café / restaurant /catering operators for the lease of a cafe in the expanded, about to be completed Gallery located in a blue chip location with easy parking, a short distance from the City Centre.

Australia's National Cartoon Gallery will be a major tourist and cultural attraction for Coffs Harbour City when it opens its new gallery scheduled for December 2020. This gallery holds the largest collection of original cartoons in Australia and is of regional and national significance. It is our intention to make it a world class gallery and museum and we are looking for a cafe operator who shares this vision. The Gallery has been operating on the site in the historic World War 2 Bunker since 1996 and a new impressive facility is currently under construct
