Home/garden

FOR SALE

Swagman Sprayers is a well-known business and trusted brand, Australia wide. Established now for 8+ years, it currently operates from Morisset, NSW but could be run from anywhere. The business provides a diverse range of quality, battery powered sprayers and accessories to farmers, nurseries landscape gardeners and households, in both a wholesale and retail capacity. It also offers on-going service and replacement parts.

Products include:-

- \* 5 ? 16 litre sprayers with wheels
- \* 5, 8, 12 and 16 litre backpack sprayers and foggers
- \* Quality stainless steel trolleys and componentry
- \* Efficient Pump boxes with batteries which can be put on tractors etc.
- \* Accessories include: Standard booms, long hoses and lance extensions

All the hard work has been done with everything in place to continue, however the business is now ripe to be taken to another level.

- \* International suppliers are in place for products and parts
- \* Some products are custom built to high-quality specifications
- \* Large customer database - Australia Wide
- \* Some customers now in New Zealand & Papa New Guinea
- \* Further scope to expand to other international markets.
- \* Established website with order cart
- \* Good social media presence

The brand is recognised and has been well advertised in the ABC Gardening Magazine, The Au
