490m2 Warehouse - Fence Hardstand Noosaville

490m2 of quality factory space plus fenced hard stand area in Central Noosaville Location. This property would be the perfect site for equipment/vehicle storage, warehouse, manufacturing or similar type business activities.

There is an existing built-in office and separate mezzanine storage. Access is via a high bay roller door that can accommodate container entry. In summary this is a very practical building that is available now. The owner is motivated to lease this property and will offer generous incentive to secure the right tenant.
