BLIND SUPPLIER AND MANUFACTURER ? INCLUDES 2 BUSINESSES SELLING AS ONE

Phone enquiries - please quote property ID 25611.

This is a unique opportunity to purchase 2 businesses that work hand in hand in the blind industry. Business 1 is a blind manufacturer/ wholesaler and business 2 is a manufacturer and importer of quality Blind and curtain track components. The business is well set up to command higher than average profit margins for this industry.

BUSINESS 1 ?

This leading Blind Supplier has been established for some 40 years. The business custom makes quality interior fabric blinds (i.e. roman binds and roller blinds) along with some pelmets, mainly from customer's own fabric. It also manufactures made-to-measure curtain tracks.

The customer base includes Interior Designers and Curtain shops along with a lot of work for Curtain Manufacturers who then wholesale the blinds to their customers.

There are currently 2 x full time and 2 x part time staff in place. All very skilled and good workers.

BUSINESS 2:

This business initially started for the development and manufacturing the Shade Teck roman
