

4746 Flinders Highway, Calcium QLD 4816

Approved Quarry and Adjacent Freehold Property

4746 Flinders Highway is only minutes past the Puma Service Station at Calcium.

This freehold property offers 18.26 hectares with a residence and associated infrastructure, including an all-weather access road, solar panels, and a 20,000-gallon water tank.

This property has a lime deposit that was mined many years ago. Subject to approvals, this may provide a further opportunity.

Adjacent to this freehold property is the leasehold operational quarry known as Marathon Quarry.
