

5/385 Sevenoaks Street, Beckenham WA 6107

Well-Presented Office/Warehouse Unit

Although many office/warehouse units present similarly with each other, this unit is well presented with a good reception/showroom on the ground floor, and partitioned offices/with individual A/C units on the mezzanine. It features a high truss warehouse and high clearance roller-door access as part of a modern tilt-panel constructed complex with security gate and ample car parking.

This property is strategically located along Sevenoaks Street, just a few meters from the Beckenham Train Station. It also quite close to the busy commercial precinct along William Street and Albany Highway (Cannington).
