

17 Parry Street, Fremantle WA 6160

Prime Opportunity to Lease the Legacy Building

The Legacy Building is a two storey 1896 built, character building featuring limestone brick and iron construction. Altered and refurbished many times throughout the years, the property is in a fair condition for its age.

It is well located with very good high profile exposure to passing vehicular traffic. There is plenty of street parking available plus a potential area in the rear that was previously used for car parking as well.
