LUCRATIVE WATER BORE DRILLING BUSINESS

Phone enquiries - please quote property ID 26283.

Industrial/manufacturing

The business has sold and was settled 01/07/2021

FOR SALE

The business is an Associated Member of the Australian Drilling Industry and prides itself on quality and efficiency. It has been fully operational during COVID with an exceptional increase of business.

The business is currently run by an owner-operator plus a driller's off-sider required on drilling days. The owner's partner does the bookkeeping, making this a great business for an owner-operator. Alternatively, a solid partnership with two people. Sound mechanical knowledge is an advan
