## Inner City Designer Private Offices on William St.

A creative coworking environment based on design thinking: the integration of people, technology and business to create new ideas and solve problems. We apply the principles of good design ? considered, responsible, intelligent design ? to translate initial ideas into something more tangible, leveraging the skill sets and knowledge of our members to mitigate risks from the start.

Other private offices also available:

- 2 Pax \$25,238 PA
- 4 Pax \$41,712 PA
