FOR SALE

REDUCED PRICE!!! \$100,000 + SAV An excellent opportunity awaits the new owners of a thriving pet shop and plant nursery in Charleville, South West Queensland.

The business is the largest provider of pots, potted plants and seedling punnets, and small pet supplies in the area. It is the only provider of live fish in the area. The business also stocks gardening edging, pavers, pebbles, irrigation supplies and gift lines.

A fully automated irrigation system allows for outside hours of watering and keeps the front gardens and lawn irrigated.

Currently employs one owner-operator and three casual staff.
