

177 - 181 Brisbane Road, Mooloolaba QLD 4557

Large Renovated Shared Offices in Mooloolaba from \$200 p/w

We are a friendly group of financial and property experts who occupy 3 offices in a large, renovated upstairs office.

We have good street visibility and lots of parking around the building with easy access to the motorway.

We would love to have more businesses to share our space and keep costs as low as possible for all of us.

We have 2 lovely large offices for rent - Office 1 is 3.2 x 3.5 and Office 2 is 4 x 3.6. Both have water views (larger office with it's own balcony!).

We also have a couple of open plan areas suitable for support staff or serviced office space. The largest is 3.8
