

10 Fishers Creek Road, Coorumba QLD 4860

Exotic Fruit Farm

Lush 15 acres of income generating property in Far North Queensland. Over 700 trees producing more than 10 varieties of fruit. Well established and mature trees, these include: 355+ Mangosteen, 160+ Jackfruit, 32 Rhumbutan, 85 Jaboticaba, and 150 Tahitian lime trees. There are also multiple types of mango's and other rare fruits.

The property has complete irrigation to most trees, using water from three bores and collected rain stored in four tanks that hold more than 50,000L.
